YASH GAJJAR

REACT.JS DEVELOPER | FRONTEND DEVELOPMENT

Ahmedabad, Gujarat • +91 6354109146 • yashgajjar890@gmail.com • yash895-jpg.github.io/portfolio

PROFESSIONAL SUMMARY

BCA graduate and current React.js intern with hands-on experience building responsive, user-focused web interfaces using HTML, CSS, JavaScript, and React.js. Open to freelance frontend projects and interested in software testing and quality assurance, with a careful eye for how interface behavior affects users.

SKILLS

Frontend Development HTML, CSS, JavaScript, React.js, responsive design, user-friendly interface development

Areas of Interest Freelancing, software testing and quality assurance

EXPERIENCE

React.js Intern | Spark To Ideas

Current

- Apply frontend concepts in a real-world internship environment while developing React.js workflow and practical development confidence.
- Contribute to clean, user-friendly interface work using HTML, CSS, JavaScript, and React.js.

PROJECT

Student Management System

React.js · HTML · CSS · JavaScript

- Built a web-based application with a structured, interactive interface for managing student-related information.
- Applied responsive UI development and frontend logic to create a practical user experience.
